Dr. Joseph Von Nessen's Presentation - 2011 Economic Outlook Conference
Moore School of Business - University of South Carolina

S.C. Real Retail Sales
(Total Sales: January-September)

Growth Rate of Total Personal Income

Outlook for 2012: Personal Income

Housing

Household Formation
S.C. Housing

Housing as a Percentage of GDP

GDP
HOUSING
EMPLOYMENT
Summary

- Economic conditions are stable, but fragile
- Continued growth in S.C. in 2012
- It's all about jobs: Manufacturing, Professional Services, Health Care
- First-time/move-up house prices stabilizing
